

Prophetic Word for 2010

The **past is past!** The old books of the past are closed. Don't allow the reminders of past inadequacies, doubts and disappointments haunt you and pull you back into useless regrets and depression. Don't look back (like Lot's wife) and become immobilised. **Leave the old behind** and start getting **thankful** about what is to come.

Stop crying about the past failures and missed opportunities and be **thankful** for this day and the days to come.

Leave the past in God's hands for only He can take the past failures and successes and sow them as golden threads into your future. Set your attention and your affections on Christ. **Step out of** condemnation and compromise.

The day of God's presence is replacing man's performance. This is because God's way is the way of **grace** and **grace** is **all about God** and not about our works and sweaty efforts.

Grace is not about people doing whatever they want to do. No, no, no! **Grace** is about **being empowered** to do what God wants to be done.

The Infiltration of Light and Darkness in their Realms of Influence

As sin abounds in the world, **grace** will abound even more. There will be an **abundance of grace** for doing what God calls us to do.

An **abundance of grace** – there is a greater revelation of **grace** to come

Grace for a breakthrough in worship for is coming and increasing.

Grace for a breakthrough in supernatural evangelism is coming and is increasing.

Grace for a breakthrough in prayer is coming and increasing.

The darkness continues to grow darker (Isaiah 60:1-2); and the light of the kingdom is getting brighter. I get the word "**infiltrating**", meaning that both darkness and light will **infiltrate** people's lives. It will often be unnoticeable.

- It is like leaven
- "Walk in the light as he is in the light" 1 John 1:7

- Love the light; seek the light
- Bring your light into the darkness but do not be deceived by lighter shades of darkness

The realms of the devil (places of demonic habitation, deception and dominion) are increasing their hold upon those who **love the world** and **reject Jesus Christ** and live outside His protection. In the years ahead the world will become **a realm of great uncertainty and mounting fear** – because the enemy is in darkness and is uncertain and full of fear. Come out and be **separate your heart from the world**.

- **Fear** can build up in a person's life if they are continually subjected to its influence
- A **battle is raging** for **influence** in the arts and especially film and music
 - It continues to be **“land to be reclaimed”**
 - We need to **discern** the **spirit behind** what we hear and see
 - We need to be able to **discern** between the **spirit of truth** and the **spirit of error**
 - There is a strategy the enemy has in place to draw people into an acceptance of the occult arts – it is the **spirit of anti-Christ** (in the place of Christ)
 - See **1 John 4:1-6**

The glory of God's presence will increase and those who **desire** the Lord and His realms (where His authority and glory abide) will start to experience the supernatural sense of peace, security and confidence. They will **see and hear more clearly**.

Shelter in the Storms

There will be **shelter** in the time of storm. Storms, earthquakes, tsunamis, fires, terrorism, financial instability, floods, droughts and upheavals in the earth will continue to increase – both naturally and spiritually. But those who dwell in the secret place of the Most High shall watch and see these things from a place **protection**. This is because these people are securely anchored into a Rock that cannot be moved. There will be more and more testimonies of supernatural **protection** and **provision**.

- See **Psalm 91** – a key Psalm for preparation for what is ahead

Supernatural healing, deliverance, **protection** and **provision** shall become more and more common and more amazing – not only because of its extraordinary nature but because of those through whom it comes. There will be mounting opposition from those who have a form of godliness but deny the power of God.

- The enemy will try anything he can to ridicule a huge increase in healings

Now is the time to put your house in order and come under the lordship of Jesus. As you present your bodies, souls, spirits, finances and ministries to the Lord, worry and anxiety will fall away and you will realise the greatness of the authority you have.

Man's good efforts and good intentions will not be strong enough to stand in the years ahead. **Christ centred, Spirit led, God honouring life-styles will attract the blessing and glory of God's kingdom.**

Angelic and demonic activity will become more obvious. Many more **eyes will be opened to see and discern their presence**. For some it will be terrifying and for others it will be faith-building as they see God's word coming to pass.

Marriages, families and Biblical moral standards will come under increasing attack.

- There is a great need for prayer covering for families and marriages
- **Truth**, covenant keeping and integrity will come under attack

Moral issues will become huge – causing severe persecution against the church.

But it will **empower** the church. The church of Jesus Christ will be known for its mercy towards the sinner and its hatred of sin. The world will be amazed at the supernatural love for sinners and unwillingness to compromise on the truth of God's Word about abortion and immorality of every type.

Transition to Position

The first decade of the 2000s has been one of **transition**, with much shaking, changing, rearranging within the world and within the church. The Lord has been bringing about an **alignment** to a very *dislocated* body. In the second decade this will continue for those who have not found their place and have not aligned themselves in the body of Christ.

However for those who have found their place and submitted to God's directions and placement, this will be a decade of **positioning and equipping**.

The Lord is **POSITIONING** His people. He is taking the disjointed, scattered, divided body that was in **disarray**, and changing it into a **united** body that will **stand battle array** in the day of battle and take a whole lot of **land from the enemy**.

Individuals, families, churches, denominations and movements will be shaken into place – **united into Biblical position** – where God's blessing is commanded.

Learn from Israel in Egypt, to find your place in God's house for you, covered by God's authority and His covenant promises. Once **positioned** and aligned you will be connected and **protected** and equipped for service.

God will do what man has been unable to do during 2000 years of church history. **There will be a division**, so those that are God's shall be clearly seen. A **love of the truth** Vs those who do not love the truth; a speaking of the **truth in love** Vs those who speak the truth in pride and with the spirit of condemnation and contention.

Recovery of Stolen Property and Land

God's people will learn how to **position** themselves for His power and His presence to come upon them. His warriors are being brought into **battle array** so they are able to not only repel the attacks of the enemy but to **take back stolen territory**. There will be many Bethel places where there is an open heaven and open portals. They will learn how to go out in **proper battle array** where they **cover one another** and **honour** one another. Those who learn to **position** themselves **with others** and **stand together** with others will have the greatest victories.

Land that has been stolen over hundreds of years and even thousands of years will be **recovered** from the enemy.

The enemy has greatly minimized the power and effectiveness of the church by dividing it and causing brothers to fight with brothers and to compete with one another over the same land. This has been a major work of Satan for many centuries. He knows that "**a kingdom divided cannot stand**".

Satan uses fear to stop division in his realm; however within this approach are the seeds of destruction. God *uses love and truth to unite in His realm*. Those who are united by *a love of the truth* and *a love for one another* will not fail.

This ***decade will see a great battle*** for between those who ***love the truth and love each other***; and those who do not care about the truth and love themselves more than they love God His ways. God's love heals and delivers and sets people free from sin and Satan. Man's self-centred efforts to love ends up causing greater sickness and causes people to be bound by sin and brings them under the sway of the wicked one.

This decade will see the supernatural ***reclaiming of stolen treasures*** as congregations; denominations and movements come together in the ***Spirit of Unity***. Many cities and towns and nations are yet to be *reclaimed*. Up until now they have remained in captivity because of the disunity and discord in the church in those places.

A much greater ***understanding about taking the land*** will be revealed to the church. (The disputed parts of Israel at present are those areas that were not fully taken in the days of Joshua and the judges.)

With ***Jesus in charge and the church working together in unity under Him and His delegated leaders and ministries***, no principality or power or dominion set up by the enemy will be able to stand. Even in a day they shall be defeated, although up till that time thousands of years have passed.

Babylon Will Fall – Don't Let Your Heart Be Attached

See that you are not subject to Babylon and entwined in her affairs. Babylon is falling, so ***do not be connected in your heart to her***. Hold onto your earthly possessions, positions and status very ***lightly***. When Christ is your strength, your protector and provider you will be blessed whether you are abounding or being abased in this world system.

Watch over your heart with all diligence because out of it flow the issues of life.

The realms of the spirit are like ***magnets*** that attract people. The closer one gets to the ***magnet*** the greater the ***pull upon the heart***. This refers to the Lord's realm and the realm of darkness – the spirit of this world – under the sway of the wicked one.

It is **a matter of the heart**. Where **our hearts** are attached really matters. Once we are drawn to the **magnet** we become **magnetised** and then attract others to the **magnet**. How are hearts are positioned really matters. We need to constantly ask, “**What is my heart’s desire?**”

I would that my people are light and salt, scattered throughout every part of this world, **infiltrating it with the light** but not attached to it. **Receive your life form the vine and not from this world**. I want my people to be able to come in and go out with ease (Shalom: peace, safety, wholeness.)

The Crows

The crows are the demonic hordes that are **attracted to the rubbish heaps** where the dead and rotting are dumped. They call out to others incessantly, **attracting** others to the decaying **rubbish**. There are many people feasting in the **rubbish heaps** of this world. I need to send my people to save them from the disease and pests that torment and infect their lives. While the **rubbish** remains **rubbish** in your eyes I can send you out to gather these poor and suffering ones. When you become attached or **attracted to the rubbish** you are useless and can easily become the target of the crows.

The crows love to **pick out the eyes** of those who are down and wounded and unable to escape. They aim to **pick out people’s eyes** so they cannot see and will lose their vision.

These **rubbish tips** abound with discord, unforgiveness, fear, anxiety and resentment.

Armed and Ready

Arm yourself with the Words of the Lord and you will not fall.

Allow God to position you in your place in the body; desire the presence of the Lord, walk in the Light, abide in His words and obey what He is saying and keep your hearts with all diligence, and you will have nothing to fear and every reason to rejoice.

Arise with the glory of God upon your life, **stand** for righteousness, **stand** for truth, be strong, be filled with God’s grace, and **arise** as part of a united army in battle array.
